**This beautiful trestle table will blend with any dining style.**

**Each bench will accommodate 3 to 4 guests. Durable and stylish, the table and benches shown are built of poplar wood. If you prefer oak, pine, walnut or another wood of your choice, custom built to your specifications, to meet all your dining needs, Pro356 can create it.**

**Do you have another style in mind?**

**Let's get together to create the table that will become a family treasure for generations.**

**A place to gather for those special holiday meals, board games, school work or an impromptu gathering of friends.**
